

# Abundant Life Vision 2007

In My Father's House  
There are Many Rooms

Implementation of the **MAN ROOM**

## ***A Note from Pastor Ted:***

*The following are points of the vision given by God to Abundant Life for 2007. There is a longer version explaining how various prophetic words given to us in the past year(s) reveal the 10 parts proposed in Isaiah, Chapter 61. Those points can be found on our website for the vision of 2007. It is thought that the points given here are enough to present the basics of what God is saying to us in this season. We have left the statements a little enigmatic in their presentation, since we are trying to believe for and do exactly what God has said, and not what we think He has said. We must always remember that revelation from God comes 100% accurate, but interpreting and applying what He has said is a process and can only be fully understood as we see His promises come to pass. The Holy Spirit knows what He is doing and we are simply yielding to His plan in our church. It is pretty awesome that God has allowed the words of the past years to come to pass just as He says. This has often proven to be a little different than what we thought He said. However, it has always proven to be wonderful!*

*Once again we find that what God is saying to us specifically, serves the general vision that He gave this church 15 years ago. He is causing us to see, experience, and walk in the Abundant Life that Jesus came to bring!*

*Pastor Ted and the Leadership Team of Abundant Life*

### **Our Goal is to cause people to see, experience, and walk in the Abundant Life that Jesus came to give!**

**to cause people to see** - as the people of God, we are the light and salt in our community to cause others to wake up to the realization that there is more to life than what they presently know. The entrance and foundation of the ability to see is found in a born-again experience whereby we can see the kingdom of God (Jn. 3:3).

**experience** - Being born again allows us to see the kingdom of God, but many see God's kingdom yet fail to actually experience the life of God's kingdom (Mt. 22:14). It is not only our purpose to cause people to see God's kingdom, but we must also serve to help them experience the life of His kingdom. There must be a giving up of the old life (Mt. 10:39; 16:25; Lk. 17:33; Jn. 12:25) and a receiving of the new one in Christ (Ps. 30:11; Isa. 61:1-3; Eph. 4:22-24; Col. 3:8-11) This is foundational to a life in Christ. It is not the purpose of God to heal our past life but rather it is His purpose to make us new creations (2 Cor. 5:17), trees of righteousness (Isa. 61:3). Believers in the body of Christ must know that their future is determined in Christ, not in their past (Eph. 1:17-23). Our goal and destiny in life is not to become a new creation, but rather stems from the fact that we are new creations in Christ.

**and walk in** - As members of the body of Christ, we must not just bump into the goodness of God, but it is God's intent for us to live in His goodness. Our walk is our way of life. Our way of life must be the way of God's covenant. We will work together to see men, women, and children come into a walk of relationship with God and one another that produces life in every way. As sons and daughters of God, we will relate to God and one another as His covenant family on the earth (Mt. 22:37-39).

**the abundant life that Jesus came to give** - It is our goal to serve as ministers of reconciliation to our community to see men, women, and children come into an ever increasing relationship with God as their Father (Jn. 17:3). It is God's purpose for us to experience life with Him and one another to the fullest (Jn. 10:10). It is time for us to "get a life"!

4. Things lost will be more than completely restored.
5. It will be obvious that God's favor is on our lives.

7. We will be seen for who we are in Christ and as God's praise we will triumph over our enemies.

## Who We Are:

God with us and among us is essential. Our rule of faith is grace and not law. We seek to be supernaturally natural and naturally supernatural. The Holy Spirit, in His giftedness, will be manifest among us and the saints will be encouraged to flow in the liberty of the Spirit within the boundaries of life. We serve others to help them hear God, to become covenant keepers, and to become worshipers of Him through their everyday lives. Our message is one of life that testifies to the increasing kingdom of Christ.
